Notification No. P. 1[illegible]2—32-33, *dated 25th May—6th June* 1933.

BRIEF REVIEW OF THE WORK DONE BY THE SESSIONS JUDGES AND MAGISTRATES DURING THE QUARTER ENDING DECEMBER 1932.

PART I.

I. DELAY.

Due date, 31st January 1933.

There were delays in the receipt of returns from some of the District Magistrates.

The return from the District Magistrate, Hassan, was received so late as 8th May 1933.

The District Magistrates are requested to see that the returns are submitted in time in future.

II. ORIGINAL—CRIMINAL.

Sessions Judges (3) *and Assistant Sessions Judges* (2).

Including 13 cases of previous quarter, there were 33 Sessions Cases ([illegible]3 in the previous quarter) for disposal. Of these, 17 were disposed of by the Sessions Judges and three by the Assistant Sessions Judges and 13 were left pending.

District Magistrates (8).

Of the 20 Regular Cases for disposal, five cases (two by the District Magistrate, Bangalore and three by the District Magistrate, Kadur District) were disposed of, leaving 15 pending. Two of them one in the District Magistrate's Court, Shimoga and the other in the Court of the District Magistrate, Chitaldrug, were pending for more than six months and they need early disposal.

Special Magistrates.

There were pending 2,811 cases at the end of the previous quarter, 2,701 cases were instituted during the quarter under review, making a total of 5,512 for disposal. Of these, 2,936 cases were disposed of and the pendency was considerably reduced from 2,811 to 2,576.

The number of cases pending over six months remained almost the same as in the previous quarter (*viz.*, 729 against 728) and the largest number of such cases was in the City Magistrate's Court, Bangalore (111) followed by the courts of the First Class Magistrates of Mandya (59), Madhugiri (57) and Chikmagalur (55) and the First Magistrate's Court, Bangalore (45) and the Second Magistrate, Shimoga, (35). The number of cases pending over six months has slightly increased in the City Magistrate's Court, Bangalore and in the Courts of Special Magistrates of Nanjangud, Hunsur, Kolar Gold Fields and Madhugiri and in the First Magistrate's Court, Tumkur.

The oldest cases pending were C. C. 539 of 26-27 in the City Magistrate's Court, Mysore; C. C. 112 of 28-29 in the First Class Magistrate's Court, Chikballapur; C.C. 169 of 28-29 in the Second Magistrate's Court, Bangalore; C.C. 189 of 28-29 in the First Class Magistrate's Court, Hassan.

The District Magistrates are requested to direct the subordinate Magistrates concerned to pay their immediate attention to the disposal of the long pending cases and to the reduction of the pendency.

Ex-Officio Magistrates.

Figures relating to the courts of the *Ex-Officio* magistrates have not been furnished by some of the District Magistrates in spite of observation made in the review for the previous quarter. So far as figures are available, there were 149 cases for disposal, 77 were disposed of, leaving 72 pending. Of these, nine cases in the Munsiff-Magistrate's Court, Kolar Gold Fields, were of over six months and they are required to be disposed of early.

Figures should be furnished for all the Districts in future.

Bench Courts.

Of 4,125 cases (against 5,084) for disposal, only 1,786 (agaist 3,461) were disposed of and 2,339 (against 1,597) were left pending. Of these, 117 cases were pending over six months and the largest number of such cases was in the Bench Courts of Shimoga (28) and Arsikere (28) and next in order was in the Bench Courts of Chikmagalur (17) and Hassan (16).

The disposals have not kept pace with the institutions in the following Bench Courts and in consequence the pendency has considerably increased :—

(1) First Bench Court, Bangalore ... .. (from 407 to 670)
(2) Second Bench Court, Bangalore ... .. (from 379 to 649)
(3) Bench Court, Shimoga ... .. (from 142 to 210)
(4) Do Arsikere ... .. (from 78 to 104)

Every effort should be made to reduce the pendency.

The long pending cases C.C. 136—28-29 and 32 and 57 of 29-30 on the file of the Bench Court, Shimoga, and C.C. 8 of 29-30 in the Bench Court, Devanhally, require very early disposal.

III. APPELLATE WORK.

Sessions Judges (4) (*including Additional Sessions Judge, Bangalore*).

(*a*) Appeals.

Regular and Miscellaneous Appeals taken together, there were 179 (against 188) appeals for disposal. 70 of them were disposed of leaving 109 (against 61) pending (59, 21 and 29 in the Courts of Sessions of Bangalore, Mysore and Shimoga, respectively).

(*b*) Revision Petitions.

Including 27 petitions of the previous quarter, there were 61 petitions (against 59) for disposal. Of these, 16 (against 32) were disposed of and 45 were left pending.

The pendency of Appeals and Revision Petitions has increased in all the Sessions Courts and the Sessions Judges are requested to make every effort to reduce the same.

The increase in pendency is mainly due to the intervention of Dasara and Christmas Holidays.

District Magistrates (8).

Of the 72 Appeals and 33 Revision Petitions for disposal, 39 Appeals and 23 Revision Petitions were disposed of and 31 Appeals (excluding two cases transferred) and 10 Revision Petitions were left pending.

Special Magistrates.

There were 19 appeals (including nine of previous quarter) for disposal. Seventeen of them were disposed of and one was left pending excluding one case transferred.

F. 141-32-3, dated 1st March 1933, published in the *Mysore Gazette*, dated 2nd March 1933, Part III, Section 1, will be repaid at the Office of the Comptroller to Government, Bangalore, or the Treasuries or Banks in which the interest thereon is being paid now.

2. The interest due for the three months ending 30th June 1933, will also be paid on 1st July 1933, along with the principal, after deducting the income-tax due thereon at Re. 0-1-6 in the rupee in cases, where no exemption certificates have been produced.

3. The Paying Officers can make payments without consulting the Comptroller to Government only in certain cases. In other cases they are required to send the bonds for examination to him. To avoid delay in payment, holders are advised to lodge their bonds with the Officers authorised to pay the principal or to send them to the Comptroller, Bangalore, for the examination of endorsements about 15 days previously, *i.e.*, from 15th June 1933. This will facilitate payment of the principal on the due date.

4. Holders of stock certificates should intimate any change of address to the Comptroller to Government, at once. They should arrange to complete any transfers they wish to make well before the due date. They will get the principal and interest due on the stock certificate upto 30th June 1933, paid by the officers, who pay the interest warrants for the last half year.

5. The securities tendered by the holder should be duly discharged under his signature as "Received the principal and interest due on this note or stock certificate" as the case may be.

6. Where the title to give discharge or to endorse the bond has been derived from a legal document other than a power of attorney, *e.g.*, a succesSsion certificate, probate, etc., such documents will have to be previously accepted by the Comptroller and before payment can be made. Bonds and documents in such cases should therefore be sent to him well in advance of the due date.

7. The signature of a lady in a language other than English or Kannada will have to be transliterated into English and authenticated by a stipendiary Magistrate or the Treasury Officer.

8. The discharge receipt and thumb impression of an illiterate person should be attested by a stipendiary Magistrate or the Treasury Officer as follows :—

"Certified that the above discharge receipt was explained to..... and he is satisfied with the meaning and effect of the discharge receipt in token of which he has affixed his left thumb impression before me."

COMPTROLLER'S OFFICE, BANGALORE.

Circular No. 241—S. L., dated 15th May 1923.

Memo of instructions to Holders of 5½ per cent Mysore Government Conversion Loan Bonds, 1919-20.

The principal of the 5½ per cent Conversion Loan Bonds of 1919–20 of the Government of Mysore which are due to be discharged on 1st July 1933, under Government's Notification No. Fl. 4753—G. F. 141-32-3, dated 1st March 1933, published in the *Mysore Gazette*, dated 2nd March 1933, Part III, Section 1, will be repaid at the Office of the Comptroller to Government, Bangalore, or the Treasuries or Banks in which the interest thereon is being paid now.

2. The interest due for the three months ending 30th June 1933, will also be paid on 1st July 1933, along with the principal, after deducting the income-tax due thereon at Re. 0-1-6 in the rupee in cases, where no exemption certificates have been produced.

3. The Paying Officers can make payments without consulting the Comptroller to Government only in certain cases. In other cases they are required to send the bonds for examination to him. To avoid delay in payment, holders are advised to lodge their bonds with the Officers authorised to pay the principal or to send them to the Comptroller, Bangalore, for the examination of endorsements about 15 days previously, *i.e.*, from 15th June 1933. This will facilitate payment of the principal on the due date.

4. Holders of stock certificates should intimate any change of address to the Comptroller to Government, at once. They should arrange to complete any transfers they wish to make well before the due date. They will get the principal and interest due on the stock certificate upto 30th June 1933, paid by the officers, who pay the interest warrants for the last half year.

5. The securities tendered by the holder should be duly discharged under his signature as "Received the principal and interest due on this note or stock certificate" as the case may be.

6 Where the title to give discharge or to endorse the bond has been derived from a legal document other than a power of attorney, *e.g.*, a succesession certificate, probate, etc., such documents will have to be previously accepted by the Comptroller and before payment can be made. Bonds and documents in such cases should therefore be sent to him well in advance of the due date.

7. The signature of a lady in a language other than English or Kannada will have to be transliterated into English and authenticated by a stipendiary Magistrate or the Treasury Officer.

8. The discharge receipt and thumb impression of an illiterate person should be attested by a stipendiary Magistrate or the Treasury Officer as follows :—

"Certified that the above discharge receipt was explained to..... and he is satisfied with the meaning and effect of the discharge receipt in token of which he has affixed his left thumb impression before me."

9. Any further information required may be obtained from the interest paying officers or from the Comptroller, Mysore Government, Bangalore.

N. B.—Forms of recommendation for exemption should be applied for by the Heads of Institutions along with the requisition for forms of application for admission to the Middle School or the Lower Secondary Examination of 1934.

9. The Heads of High Schools sending up candidates for the S.S.L.C. Public Examination will kindly note the following points in connection with the preparation and submission of application for candidature :—

(*a*) Candidates should be asked to give their *correct* date of birth *viz.*, the day, month and year, both in the application as entered in the admission register of the School without giving room for unnecessary correspondence in the matter. They should be advised to enter *only* the father's name in the S. S. L. C. card and the application form and not the guardian's name.

(*b*) The heads of Institutions should satisfy that the date of birth entered in the S. S. L. C. card corresponds with that in the admission register of the School.

(*c*) The Heads of High Schools should arrange the applications and the S. S. L. C. cards separately in the same order, first, according to the Second Language chosen by them and secondly, in the alphabetical order under the several second languages. In no case should the applications and the S. S. L. C. cards be mixed up, as this will lead to confusion while checking the applications. The applications and S. S. L. C.'s of candidates who have been declared "Passed" in previous years should be separated from others and arranged in the same manner as noted above.

(*d*) A classified statement showing the names of candidates under "Ordinary" and "Supplementary" Certificates, the several second languages and additional subjects offered by them should accompany the applications for candidature.

10. The admisssion tickets of candidates who appear for the several Local Examinations of 1934 by *private study* will be sent direct to the candidates concerned by ordinary post to the address furnished by them in their applications for admission to the examination. Private candidates are therefore advised to enter their postal addresses clearly in their application forms. *The Examination Office cannot undertake to note the changes in the addresses intimated after the applications are sent in.* The Examination Office will not be responsible for non-delivery of admission tickets, etc., sent to the candidates concerned in consequence of the incompleteness or inaccuracy of the postal addresses furnished by them.

11. Applications for the Teachers' Certificate Examinations (both Theory and Practical) from private candidates who have not appeared for the Teachers' Certificate Examination of the particular grade and failed at least once either under the old rules or under the revised rules will be rejected. But Teachers in recognised Schools who have put in ten years' service or more and who had no chance of being deputed for training by the Department shall be admitted to the examination by private study, subject to the condition that they possess the minimum general qualifications prescribed for the respective grade of Examination. A candidate appearing for the examination under this rule shall produce a certificate from the Inspecting Officer not less in rank than an Assistant Inspector of Education to the effect that he or she has put in not less than ten years' service as a teacher in a recognised school in Mysore.

12. Candidates who appeared for and failed in the Preliminary Examination (L.S.T.C.) either in Group A or Group B or both in previous years under the old rules will be required to take the full Examination (Preliminary and Final) and they should pay the full fee for examination.

13. It should be clearly understood that the provisions in this notification do not in any sense supersede the detailed notifications relating to the several examinations and that the provisions in the detailed notifications should be fully satisfied before any candidate is registered for the examination for which he seeks admission.
